Sponsor Aquaoaks Today!

Aquaoaks Artistic Swimming Club is home to more than 50 athletes. In its history, our athletes have won more than 200 medals, including 10 national Swim England Medals. As a registered nonprofit, Aquaoaks develops athletes from novice to elite. Beyond developing swimming skills— strength, flexibility, endurance and speed—the club is truly committed to fostering teamwork, sportsmanship, self-confidence, healthy lifestyles and empowering children and young people to be leaders. Thanks to the generosity of our community, our athletes have the opportunity to compete regional and nationally. We also host two shows per year, our competitive routine showcase and our summer camp display.

We have expanded our sponsorship offerings to include more benefits than ever before. Your donation is tax deductible and sponsorship levels are outlined in the following pages. As we strive to grow our club, there has never been a better time to partner with Aquaoaks Artistic Swimming!

Aquaoaks members are faced with costs associated with equipment (a £3,000 underwater sound system), costumes (artistic swimming suits can cost up to £70 each), and pool hire (the team's single largest expense). All of these costs make the sport relatively expensive for team members and may prohibit some interested children from trying the sport. In order to try to keep our costs down, we are seeking sponsorships to help make the team accessible to more children.
